Subject: FW: UPDATE - West Lake Landfill CAG

The CAG changed their meeting dates. Next meeting is the 21st of October but devoted to administrative items. I would recommend that Dan participate in the Nov 18th CAG meeting if they want an update.

Subject: UPDATE - West Lake Landfill CAG

Just an FYI....:

I just spoke with Doug Clemens (CAG Chair) and he advised me that they have changed their meeting dates to the 3<sup>rd</sup> Mondays of the month, which means the next CAG meeting is scheduled for October 21<sup>st</sup>! I told him that we were really tight on travel and such a short turnaround would be very difficult, therefore, EPA's participation would be unlikely.

He indicated that the upcoming meeting would be pretty boring, including a revamp of by-laws, and some administrative items, so he perfectly understands that EPA will unlikely be able to attend.

The next CAG meeting is scheduled for Monday, November 18th.
